1. What percentage of your budget is allocated for collections?
   - 01%-10%
   - 11%-25%
   - 26%-40%
   - 41%-60%
   - 61-75%
   - 75% or more

2. In the past 5 years, what percentage of your collection budget has shifted from print monographs to other materials?
   - Our budget for print and other materials has remained the same.
   - We spend 0.1%-4.99% more on other materials than we did 5 years ago.
   - We spend 5%-9.99% more on other materials than we did 5 years ago.
   - We spend 10%-24.99% more on other materials than we did 5 years ago.
   - We spend 25%-49.99% more on other materials than we did 5 years ago.
   - We spend 50%-74.99% more on other materials than we did 5 years ago.
   - We spend 75% or more on other materials than we did 5 years ago.

3. In the past 5 years, what percentage of your collections budget has shifted from traditional collection development to patron-driven (PDA) or demand-driven acquisitions (DDA)?
   - We still use a traditional collection development model.
   - 0.1%-4.99% more of our collection budget is now devoted to PDA/DDA.
   - 5%-9.99% more of our collection budget is now devoted to PDA/DDA.
   - 10%-24.99% more of our collection budget is now devoted to PDA/DDA.
   - 25%-49.99% more of our collection budget is now devoted to PDA/DDA.
   - 50%-74.99% more of our collection budget is now devoted to PDA/DDA.
   - 75% or more of our budget is now devoted to PDA/DDA.

4. Does your library purchase any of the following materials with the collection budget? (Select all that apply.)
   - Print textbooks
   - Digital textbooks
   - Board games
   - Video games or video game consoles
   - Graphic novels
   - Streaming video collections
   - Streaming audio collections
   - eReaders
   - Tablets
   - Other (please specify)
   - We do not collect any of the above materials

5. Does your library participate in open education initiatives? (Y/N)
   - If yes, please indicate which of the following your library participates in:
     - Open access textbooks
ACRL Trends Questionnaire 2015

___Open access textbook publishing initiatives
___Open access teaching resources/materials
___Open access learning resources/materials
___Open access courseware
___Open source curricula
___Other (please specify)

6. Does your library have an institutional repository? (Y/N)

6a. If yes, please indicate which print material the library digitizes. (Select all that apply.)
___Faculty and instructional staff scholarship
___Student scholarship
___Doctoral dissertations
___Graduate theses
___Conference papers and programs
___Datasets
___Other (please specify)

6b. Please indicate what native digital material the library accesses into its institutional repository (IR):
___Faculty and instructional staff scholarship
___Student scholarship
___Doctoral dissertations
___Graduate theses
___Conference papers and programs
___Datasets
___Other (please specify)

7. Does your library digitize documents in the institution’s archive or other local documents? (Y/N)

7a. If yes, please indicate which types:
   Print materials of historical or otherwise unique significance to the institution
   Print materials of legal significance to the institution
   Print materials authorized for retention by records management policy
   Local public records, such as birth records, death records, marriage records, naturalization records, tax records, probate records, or civil court records
   Other (please elaborate)

8. Does your library digitize (or plan to digitize) print resources currently in the collection? (Y/N)

8a. If yes, please indicate which types:
   Non-monographic print materials
   Manuscripts
   Physical audio items (such as compact discs or phonographs)
8b. Which of the options below best describes the level of support in your institution for creating digital collections over the past five years? Note: Support is defined as both budgetary and staffing support.

- Support for creating digital collections has greatly increased.
- Support for creating digital collections has increased somewhat.
- Support for creating digital collections has remained the same.
- Support for creating digital collections has decreased somewhat.
- Support for creating digital collections has greatly decreased.

8c. If support for digital collection creation has decreased, please indicate why. (Select all that apply.)

- Budget cuts have forced discontinuation of this program.
- Low use of digital collections.
- We have already digitized the items useful in our collection.
- We can no longer afford to utilize staff time to digitize materials.
- Other (please explain)

9. Has your library participated in the Federal Depository Library Program (FDLP) in the last five years? (Y/N)

9a. If yes, please select one of the following statements:
- Due to the increased availability of government documents in digital format, my library has ended our membership with the FDLP.
- Due to the increased availability of government documents in digital format, my library is considering or will be ending our membership with the FDLP in the next fiscal year.
- Due to reallocation of space in my library, we have ended our membership with the FDLP.
- My library has no plans on ending our membership with the FDLP.

10. Has your library developed, or is considering developing, a shared print collection with a group of libraries or consortium partners? (Y/N)

10a. If yes, please explain why (select all that apply):

- To reduce the physical collection to repurpose the space.
- To reduce the physical collection to purchase more electronic materials
- A shared print collection allows us to save money for budgetary reasons
- A shared print collection avoids duplication of titles between partner libraries, and greater usage of material.
- Other (please explain)
